Our Policy

Customer comes first

To reach our greater heights of excellence, our customer is our number one priority

Quality of our services

Our services will improve on daily basis as technology keep growing daily

We will make sure to keep our clients upto date with technology to grow their businesses efficiently

Nature

Going green is mandatory world wide and we will fight to protect our nature especially during global warming

Human Life

Equality in our environment is priority

Clients, suppliers and dealers are our partners as we work together to strive in life

Regardless of race or gender, we respect life in our organisation or in public

In-house

We promote in-house growth

Everything we do, we do it as a team and recommend in-house training, we do hire by advertising any post to our staff then we go outside

Our Clients

All projects shall be delivered within 2-3 working days, only after all information, pictures, videos has been received by our team (data)

No personal identifiable information or contracts shall be shared over the website (ID number, passwords, contracts and account numbers)

All services that require third party services or software, will be provided at additional cost

All long term services will require contract or memorandum of understanding

Search engine optimization will require payment and it will not be included in our free service plan

What our clients have to say

Chairperson:Simon Mataboge

I could not find any clients using word of mouth to until I digitalised my business using MWServices

General Manager:Simon Mataboge

I found myself in a state where I didn't know how to compile cv but the templates, was very helpful

Director:Simon Mataboge

I didn't understand why my garden couldn't grow crispy crops so I decided to call for help
